NOT FOR CITATION

**IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA  
SAN JOSE DIVISION**

## NAZOMI COMMUNICATIONS, INC.,

Case Number C-02-2521-JF (RS)

Plaintiff,

## ORDER SETTING STATUS CONFERENCE

V.

## ARM HOLDINGS, PLC, et al.,

## Defendants.

The judgment in this matter having been vacated and remanded by the Federal Circuit, Court will set a status conference to discuss further proceedings. Defendants assert that the Federal Circuit did not hold that there was any substantive error in this Court's ruling, but rather that the ruling was not sufficiently detailed to permit appellate review; they request leave to file proposed findings of fact and conclusions of law confirming the Court's earlier summary judgment of noninfringement. They also request a stay of the action pending issuance of a new summary judgment order in their favor.

Plaintiff asserts that the Federal Circuit opinion expressly contemplates further proceedings, such as submission of additional evidence and new competing infringement charts,

1 and that Defendants' proposed approach would be inconsistent with the Federal Circuit's  
2 instructions and would impose further needless delay. Plaintiff requests a status conference for  
3 the purpose of discussing the scheduling of a *Markman* hearing, motions, discovery deadlines  
4 and the like.

5 The Court is not inclined to reissue its prior ruling without further proceedings, but at the  
6 same time it is not persuaded that starting at ground zero as proposed by Nazomi is either  
7 necessary or appropriate. The Court requests that each party submit a detailed proposal as to how  
8 this Court should proceed on remand. Such proposal shall be filed and served on or before June  
9 7, 2005. The parties shall appear for a status conference to discuss further proceedings in this  
10 case at 10:30 a.m. on June 10, 2005.

11 IT IS SO ORDERED.
